

Columbus Tent Installer Position

Lasting Impressions Event Rental is looking to grow our team of tent installers! We are in search of motivated and hardworking individuals to join our team as full-time installers and begin a career in event rentals. We regularly promote our staff and provide pay increases as responsibilities grow. If you love working outside, enjoy the sense of accomplishment in seeing a completed project and like doing different things, this job is for you. This job can be physically demanding, and long hours occasionally occur. There is plenty of physical activity involved with this job including walking, bending, and lifting of tent parts, up to 80 pounds. Reliability, dependability, and willingness to learn are also desired traits for this position.

Interested candidates must have a flexible schedule during our busy season, which is typically May - October. Due to the nature of some tent installations occurring outside of normal business hours, candidates must be available to work any day of the week including weekends and occasionally holidays. A master tent calendar helps our staff plan their time off and the opportunity for overtime regularly exists.

Lasting Impressions Event Rental is the largest event rental company in the state and is a family-owned business since 1991. All our staff are part of the family. We offer paid time off, health, dental and vision benefits as well as a 401K plan and AFLAC plans. If you are tired of being a number at your current job and want to be part of our tent installer team, then this position is perfect for you.

Job Type: Full-time
